Registration with Saudi Energy.

Congratulations! Saudi Energy has approved your supplier commercial registration.
ORBIT OF CHOICE FOR PROJECTS CO has now been included in the supplier database of Saudi Energy.
We would like to inform you that the next step to complete your onboarding process as a supplier and becoming eligible to participate in future tenders is to finalize both the Financial Qualification and Technical Qualification stages.
An email will be sent to you with detailed instructions, and your login credentials, to enable you to complete these stages through the Supplier Portal.
Once the financial and technical qualifications are completed, you will be eligible to participate in Saudi Energy tenders.

You will be notified when next steps of the supplier onboarding process require your attention.

You are receiving this email because your customer, Saudi Energy, has identified you as the appropriate contact for this correspondence. If you are not the correct contact, please contact Saudi Energy.
